

Cochise County Men's Amateur Championship Golf Tournament September 12th & 13th 2009

Event Summary

Thank you for being a part of CCMACGT 2009. This was our first of potentially many more tournaments. We were very pleased to have 32 golfers and hope to increase to 80 next year. This year we started with a shotgun at San Pedro Golf Course in Benson and finished at the private club of Pueblo del Sol in Sierra Vista.

The funds raised during this event by sponsors, registered golfers, donations and raffle monies will go towards the building fund of KM Chuck Wagon Reception Hall at All The Kings Horses Children's Ranch. This will be a reception/welcoming area and mess hall.

We hope to grow this tournament with the tremendous generosity, support and belief from our corporate and in-kind partners. Thank you for responding so compassionately.

We are delighted to share the results of the event as well as notable contributions that each of you made to this very successful event. Cash raised was \$9,148.72 and In-Kind sponsors' contributions totaled \$6,695.00. Over \$15,000.00 for our first year out was remarkable.

Thank you to *Les Boegemann's Law Firm*, for the generous donation to be our Title Sponsor. Les led the way in assisting to underwrite the majority of the events expenses, ensuring that 100% of the registered golfers donations and raffle dollars raised goes to help fund the building project for The Ranch.

It was a Beautiful Weekend. We had some sprinkles, some showers but the temperature was perfect. San Pedro Golf Course and Pueblo del Sol had extremely well manicured courses and the pro's Dan Wickman and Jeff Sims helped create this very professional tournament. The event ended with family members gathering to support the winners. It was a weekend to remember. It was a time of Friend-raising.

We are honored that you chose to partner for the benefit of ATKH Children's Ranch. We hope that you will continue to work with the tournament to provide funding for non-profits. Please consider being a friend of THE RANCH.
